⁵In previous surveys, this question item asked about getting news from "the internet." In 2016, this was changed to two new items: getting news from "Social networking sites, such as Facebook or Twitter" and getting news from "Websites and apps." The two new measures combined make up the internet news category in 2016.

⁶In 2006 item is a combination of two items: "network television news shows, like the ABC Nightly News, CNN Headline News, or Noticiero Univision" and "local television news broadcasts."

⁷In 2006 item was "newspapers."

⁸In 2016, item "the internet" was not asked. This is a combination of two items; "Websites and apps" and "Social networking sites, such as Facebook or Twitter."
