Before we finish the survey, we're interested in getting a deeper understanding of how people have been experiencing the coronavirus outbreak, and how it might have impacted them in both negative and positive ways. Please take a moment to reflect on how the outbreak has affected your own life, and then answer the next two questions in as much detail as you can.

COVIDPOS_OE Thinking about how things have been going in your life since the beginning of the coronavirus outbreak, what, if anything, have been some positive aspects of the situation for you personally?
