

**2025 PEW RESEARCH CENTER'S AMERICAN TRENDS PANEL  
WAVE 162 FEBRUARY 2025  
FINAL TOPLINE  
FEBRUARY 3-9, 2025  
TOTAL N= 9,544**

**Note: All numbers are percentages unless otherwise noted. Percentages less than 0.5% are replaced by an asterisk (\*). Rows/columns may not total 100% due to rounding. The questions presented below are part of a larger survey conducted on the American Trends Panel.**

**"No answer" includes web respondents who do not answer the question as well as telephone respondents who refuse to answer or who say they don't know how to answer. In cases where "not sure" was offered as an explicit option to web and telephone respondents, the "no answer" category includes only web skips and telephone refusals.**

**This survey was conducted primarily online, with some interviews conducted by live telephone. This topline shows the programming language for online administration. For details on how questions were slightly modified for phone administration, visit the questionnaire.**

**American Trends Panel surveys conducted between October 2016 and June 2024 were conducted fully online (with tablets and data plans provided to adults without home internet). For additional details, visit the methodology.**

<sup>2</sup> In the May 2024 survey, the question asked, "How much of the time do you think you can trust the federal government to do what is right?"

<sup>3</sup> In survey waves from July 2020 to June 2023, the question asked "How much of the time do you think you can trust the federal government in Washington to do what is right?"

<sup>4</sup> In Wave 65 and earlier surveys, the question asked, "How much of the time do you think you can trust the federal government to do what is right?"

<sup>5</sup> In the Wave 9 survey TRUSTFED was asked in a battery that also measured how often you can trust state government and local government to do what is right.

<sup>6</sup> In phone surveys the question asked, "How much of the time do you think you can trust the government in Washington to do what is right? Just about always, most of the time, or only some of the time?"

<sup>7</sup> The November, 1998 survey was conducted Oct. 26-Dec. 1, 1998. The question asked, "How much of the time do you trust the government in Washington to do the right thing? Just about always, most the time, or only some of the time?"
